

# SPRING EQUINOX HIKE

## Rare Opportunity for Guided Hike Mauka to Makai

Saturday, March 21st, marks the Fourth Annual Spring Equinox Hike at New Moon Foundation in Kapaau . This year we'll be exploring the sloping pastures and old cane trails on our way to the blue Pacific. John Gardner, accompanied by NMF staff, will lead the 90 minute hike down to a special cliff area for that perfect picture of the Kahola Lighthouse. Hop in the van for an optional ride back to NMF. Bring snacks and water and enjoy the vistas of the Kohala coast. Please call to sign-up. Children 8 and older welcome with an adult.

**When:** Saturday, March 21, 2009 at 9 a.m.

**Where:** NMF Offices 53-496 Iole Road, Kapa'au

Donations are appreciated and will support NMF public trail programs.
